### THE MAYBOURNE BEVERLY HILLS DEBUTS THE WHISKY BAR

*Bringing the finest collection of whisky and a selection of world-class cigars to Beverly Hills*

BEVERLY HILLS, CALIF. (October 5, 2021) – The [Maybourne Beverly Hills](#) has opened the doors to [The Whisky Bar](#), a beautifully intimate and distinctly atmospheric space now home to one of the world's most coveted whisky and cigar collections. Designed as both an indoor and outdoor experience to reflect the contemporary spirit and style of the Golden State, The Whisky Bar invites guests to relax in the wood-wrapped bar or sip in style on the relaxed outdoor terrace, overlooking tranquil Beverly Canon Gardens.

The Whisky Bar is one of just three destinations in the city of Beverly Hills where smoking is permitted exclusively for hotel guests and one of only two where it is allowed without a membership. It boasts a carefully curated menu featuring an array of whiskys expertly sourced from the finest makers in the world – including The Yamazaki from The Suntory Distillery in Japan, to Green Spot from Midleton in Ireland, to the famed Macallan distillery in Speyside, Scotland. Also featured is the Highland Park Vintage 1968 from the Highlands in Scotland – bottle number one of a batch of 1,550 was specially secured for the bar. Complementing the exceptional whisky list, the bar newly features a custom-made humidor holding over 1,000 cigars with 64 stick variations featuring premium brands from the Caribbean

to Central America. This is in partnership with cigar expert and founder Taz Ahmadi from The V Cut, a local cigar hotspot with over 20 years of history in Los Angeles.

Guests can also indulge in handcrafted cocktails such as the Extra Fancy, a take on a classic old fashion, made from Michter's 10-year-old, together with Maraschino and orange bitters. The food menu features items including the Chefs Dozen and seasonal bespoke bites such as crab and lemon arancini, deviled egg niçoise and fig jamon iberico.

With elegant interiors designed to enhance the overall experience, the intimate bar features dark wood-paneled walls, and a statement bar with inviting leather armchairs and banquettes illuminated by surrounding Lalique wall sconces and light fixtures. The newly created glass-encased humidor elegantly displays the bar's expansive selection of cigars, ready to be enjoyed at nearby tables featuring vintage Murano-glass ash trays hand-made in Italy. Adjacent to the space, The Whisky Bar's outdoor terrace boasts a palette of soft greens with oversized lounge seating accented by marbled tables. Contemporary black and white portraits line the walls of four defined areas, which can be separated by airy white curtains to allow for privacy between parties. With stunning vistas of the Beverly Canon Gardens, the outdoor terrace is the perfect place to recline and savor a cigar or glass of the world's premier whisky.

The Whisky Bar joins the recently debuted all-day alfresco restaurant, [The Terrace](#), expanding The Maybourne Beverly Hills' remarkable lineup of culinary offerings. The bar also marks the latest addition to Maybourne's exceptional line up of globally renowned bar experiences around the world, from the legendary The Connaught Bar to The Fumoir at Claridge's.

The Whisky Bar at The Maybourne Beverly Hills is open daily from 5:00pm - 12:00am (hours may vary). Reservations are required and can be made by phone at 310-906-7218.
