THE BERKELEY OPENS ITS ROOFTOP TO ALL WITH A NEW TACO AND PATRÓN TEQUILA COCKTAIL MENU FOR SUMMER 2024

The Berkeley, perfectly nestled between bustling Knightsbridge and leafy Belgravia, will open its rooftop – usually reserved for staying guests – to all for summer 2024. The Berkeley Rooftop Bar will be open for the season from the evening of 11th July, offering the ultimate alfresco destination for Londoners to soak up sweeping sunset views over Hyde Park, whilst sitting by the glistening swimming pool. Unrivalled views of London’s skyline will be complemented with a brand-new Mexican-inspired menu of PATRÓN Tequila cocktails and tacos.

In collaboration with PATRÓN, The Berkeley will serve up a series of new tequila-based cocktails throughout summer. Highlights include the PATRÓN Tequila Colada, a take on the classic cocktail, replacing rum with PATRÓN Reposado, paired with mango lassi, coconut cream and water, vanilla, and lime. The Ultimate Knutarita blends PATRÓN Silver tequila with shiso umeshu, pine, Cointreau, lime, and spice for an aromatic twist on a margarita. For those who prefer an alcohol-free option, the Forest Gimlet, featuring Everleaf Forest aperitif, pink grapefruit soda and honey, is a refreshing option to enjoy.

A trio of tacos and a ‘make your own’ guacamole are highlights of the new menu. Dishes include smoked salt marsh lamb shoulder with pickled jalapeno and saffron aioli in a blue corn taco; barbeque jack fruit with sweet Romano peppers, coconut, and coriander cream in a white corn taco; and crispy Dover sole with charred sweetcorn, mojo emulsion in an avocado taco. On ‘Taco Tuesdays’ there will be a fourth ‘secret’ off-menu option, which is available for one night only and changes each week.

Guests will also be able to make their own guacamole, starting with a base of fresh smashed avocado, and adding toppings including spring onion, chilli, garlic, tomato, coriander, toasted seeds, and lime, to dip crunchy house-made tortillas. As a sweet treat in the sun, The Berkeley rooftop soft serve machine will dispense a selection of changing ice cream flavours throughout the season, complete with perfectly piped sunglasses biscuits on the side.

To reach the space, guests will be whisked up to the rooftop by lift, discovering a sun-bathed mural by artist Chiara Perano along the way, inspired by the blues of the pool and greens of the park. Once outside, staggering views of the red brick of Knightsbridge, the charming crescents of Belgravia and the vast scale of Hyde Park’s treetops await. Visitors can book a table or nab a striped lounge – drink in hand – to enjoy this space normally reserved exclusively for guests of The Berkeley.

The Berkeley Rooftop Bar will open to all from 11th July 2024. Reservations lines are now open. Tables and sun loungers may be booked, and limited spaces will be available for walk ins. The Berkeley Rooftop Bar will open Tuesday – Saturday, 7:30pm to 11pm, with last sitting at 9.30pm. For more information and to book, please visit the link [here](#).
